DEDICATION

We, the Rawhide Staff of 1960-61, dedicate this yearbook to Mr. Orval Northam. With skill, patience, humor, and persistence Mr. Northam has solved seemingly insurmountable problems and helped the Rawhide toward completion. He has done this for three years, serving as the chairman of the Industrial Arts Department and Photography advisor for the Rawhide Staff, even while raising two active daughters. Mr. Northam has inspired us all with his devotion to Rincon High, absorption in Rincon's activities, and dedication to the teaching profession. Here was a friend to whom we could turn in time of need and find solace, energy, and answers to our publicational problems. Without his aid we would have floundered. Thank you, Mr. Northam, on behalf of the staff and students of Rincon High.

PRINCIPAL'S MESSAGE

The year 1960-61 will be a year I will look back upon with pride and admiration, having had the opportunity and pleasure of knowing and working with an outstanding student body. I appreciate the fine leadership you have given this campus in academic endeavors, as well as in sports, music, drama, and social affairs. During the past three years your accomplishments have made Rincon one of the most respected high schools in the southwest.

You possess one of the most cherished qualities in this world—enthusiasm. May you always hold and cultivate this wonderful attribute for it will nurture future happiness and success. In the years to come, as you turn the pages of this yearbook, the memories it recalls will be pleasant ones—those wonderful experiences you enjoyed as a student at Rincon High School.

Best Wishes,

The Senior Class has shown great leadership and ability in all its achievements this year and it has done much to establish many fine traditions for future graduating classes.

The Senior Prom, whose theme was "Stairway to the Stars," was one of the many highlights of the year for the class. The time and work put into making it a wonderful success, proved well worth the effort.

The Junior Class had a very successful year. It sponsored an assembly and entertained the student-body with a dance after the Amphi basketball game. Climaxing the year was the Junior-Senior Prom, whose theme was "From South Pacific." A wonderful evening was enjoyed by all in the dreamy atmosphere it provided.

Under the supervision of Mr. Ledesma and Mrs. Dysthe, the Sophomore Class had a most successful year.

After the Tucson High game, the class sponsored a dance, Rival Revival, which was well worth the time put into it.

Highlighting the year was the Sophomore Cotillion in March which was a great success.

With the guidance of Mr. Acosta and Miss Lackie, the Freshman Class showed true Ranger spirit all during the year in spite of the added distraction of the split session.

The Class sponsored two dances, a mixer after the Salpointe game and a dance for the Freshman Class, both of which were successful.

EDITORS LEAD RAWHIDE

The *Rawhide* staff this year, under Mr. Meyer, advisor, and Mr. Northam, photography advisor, has worked hard to produce a record of the past year's events.

Working hard to make deadlines, we took time out to sponsor the Christmas dance, where the *Rawhide* king and queen were crowned. Editors, artists, sponsors, and staff members spent many hours working out the problems that confronted us.

The worries and fun of producing the 1961 *Rawhide* are dedicated to you, the students of Rincon High School.

Barb Shaw, editor-in-chief of the 1960-1961 *Rawhide*, successfully led the staff through many difficulties and was always ready with help and ideas.

Assistant editor, Sandi Camel worked hard helping editors and staff members to meet deadlines throughout the year.

Rawhide sponsor, Mr. Meyer was a guiding hand and an inspiration to all the *Rawhide* staff members.

STAFF TO GREAT SUCCESS

Editor Bev Parker gave credit due to the administration for the superior job they did this year.

Sybilla O'Mara, *editor,* worked diligently arranging pictures of students in the classes section.

Sandi Camel was responsible for presenting the clubs and organizations in the *Rawhide.*

Editor Johnny Fink and his staff produced the many sketches.

Sheri Williams was responsible for the listing of the Seniors' activities.

Led by co-editors Marilyn Haugan, Lanny Rosenbaum, and staff members who spent many hours reporting and writing interesting news stories. Along with their energetic and efficient sponsor Miss Kalil, they learned many things, not only about writing for a newspaper, but in working harmoniously with others.

A larger size page and a new type of print were initiated by the *Echo* this year on which were presented many informative editorials and exciting feature articles.

Staff members, chosen for their talent, experience, scholarship and compatability have labored to produce a high-quality newspaper for the students and faculty of Rincon High School.

MEET THE EDITORIAL BOARD

Mickey Rooker, Gail Rosenthal, Kristin Sannerud, Mary Seldon McKee, Mary Myers, Steve Myers.

This year's editorial board spent a busy year in the *Echo* Chambers working out the numerous problems of producing a school newspaper. The board members industriously reported school events and interviewed celebrities, striving to make our *Echo* the most outstanding paper of its kind in the city.

A familiar sight every other Friday was the board members distributing newspapers to the morning and afternoon homeroom classes. Students puzzle over the person described in "The Shadow Knows" and read about Rincon's athletic events on the sports page. In each issue, two outstanding students were spotlighted, and in the "Out of the *Echo* Chamber" section two members of the *Echo* staff were presented to the students and faculty of Rincon High School.

Tri-Chicas, for junior girls, undertook many projects this past year. At Christmas they collected food for a destitute family and later received a letter of appreciation from the family. Tri-Chicas held a bake sale and collected three thousand hangers which they sold to dry cleaners. Since membership was limited, prospective members who collected the greatest amount of hangers were admitted.

A Future Teacher's convention was held for those interested in entering the profession.

HOMEMAKERS

Members of Future Homemakers of America strive to build better homes and to improve community and home life standards. At club meetings speakers talked to the F.H.A. members about self-improvements, family relations, interior decorations, sewing, and cooking. The purpose of these talks was to prepare the girls for the many responsibilities they will face as homemaker. Through the activities of F.H.A. PHILOSOPHY CLUB

The Philosophy Club is an organization for students interested in discussing informally, various aspects of philosophy and religion. Guest speakers, including Doctor's of Philosophy from the University, help to familiarize students with the many viewpoints and the numerous philosophies of both modern and ancient times. Mr. Tidwell, Philosophy Club sponsor, has helped spark much interest in the discussions of club members.

The chief purpose of the Science Club was to promote interest in the different scientific fields. To achieve this goal, movies and film strips on different aspects of science were shown to club members. Guest speakers sparked interest in new fields and answered questions concerning new developments in various scientific fields. Members of the science club attended lectures at the University of Arizona and participated in scientific field trips.

DEBATE TEAM

Students who had an active interest in debating, organized the debate club this year. Club members competed with other debators from local high schools and from all over the state. At these contests students spoke extemporaneously and argued on different subjects, each striving to present a more logical argument to those judging. Members competed with other debators at Tempe, the University of Arizona, Salpointe High, and Tucson High, compiling a record which any school would be proud to hold. Sponsor of the Debate Club was Mr. Boswell.

BOY'S JUDO CLUB

The art of judo teaches methods of self-defense, especially against a larger person. Although judo is similar to wrestling, it depends more on skill and knowledge of the body's weak spots, than on weight and strength as wrestling does. Monday, Wednesday, and Friday members meet to learn judo holds and to practice ju-jitsu exercises which help them to coordinate more perfectly the judo holds. Sponsor of this year's judo is Mr. Smith.

SUNSHINE MODELING

At the end of each year, girls may try out for Sunshine Modeling. Judged by such standards as personality, poise, and general appearance, these girls have many varied activities. This year the Sunshine Climate Club models presented the fifth annual Follies in Fashion, with girls modeling clothes from local stores. The chief purpose of the models is to promote Tucson commerce by posing for articles and advertisements in national publications. The Sunshine Climate Club models are fine representatives of Tucson, and have greatly helped to draw industry to Tucson.

Late in the fall after several dry-run practices, members did take a skiing trip and tested their skills on skis. In the early part of the year, a fashion show was held to show members the clothing and equipment used by skiers. The Ski Club sponsor this year was Mr. Harcus.

GIRL'S STATE

Sue Alexander, Gail Rosenthal, Karen Nicholas, Judi Bienstock and Royanne Lebrecht (*not pictured.*)

At the end of each year, five junior girls of outstanding character, service, and scholarship are chosen by the faculty to represent Rincon at Girls' State. For a week at the University of Arizona, the girls meet with girls from all parts of Arizona to learn about government, and actually participate by forming states, counties and cities and electing officials for each. Last year, Royanna Lebrecht, one of Rincon's representatives, was selected as one of the two girls to represent Arizona at Girl's Nation, held in Washington, D. C. Rincon can indeed be proud of its Girl's State delegates.

BOY'S STATE

Each summer Rincon sends five delegates to Boy's State at Flagstaff College in Flagstaff, Arizona. Chosen by the teachers of Rincon these boys must be of high character and must have been of great service to their school. During the entire week spent at Boy's State, the boys are subject to strict discipline, for in this way they receive the full benefits that Boy's State has to offer them. The delegates are taught how to participate in government, and run for office first on the city level, and then on county and state level. In this way, and through discussions with county and state officials, they learn the fundamentals of government and gain a greater appreciation of our governmental system.

RANGER CARD SECTION

This year, Rincon's Letterman's Club organized Arizona's first high school card section. The first performance at the Tucson-Rincon basketball game was preceded by several practices with interested students, showing them the correct way to hold and flip the cards. Several stunts were done with the cards, one of them, for instance, showing a purple "R" on a white background, and then flipping the cards to show a white "R" on a purple background. Rincon's card section has earned much acclaim and praise for the fine job it has done of boosting the school spirit.

DEDICATION TO OUR

Mr. Rudy Thompson

Rudy Thompson, head of Rincon's Vocal Music Department, was born in Pennsylvania. After completing high school, Mr. Thompson enrolled for two years of work at the Carnegie College of Technology. After additional study at Waynesburg College and the University of Pittsburg, he graduated with a major in Music and a minor degree in string bass.

In Douglas, Arizona, Mr. Thompson served as Vocal Music Supervisor until 1956. In that year he moved to Tucson for work at Tucson High. Since 1958, we have had Mr. Thompson in our own music department.

We, the students and faculty of Rincon, are indeed fortunate to have such a dedicated man heading our vocal music department.

Born in Illinois, Jack Frakes came to Tucson at the age of seven. He attended local schools and the San Diego State College where he has done some undergraduate work. His major degree work is in the field of psychology with work in the areas of philosophy and history.

Since his graduation from the University of Arizona, Mr. Frakes has studied drama and the theater at Stanford University. Since the fall of 1959, Mr. Frakes has been the designer-builder and planner of our excellent Drama Department.

Mr. Jack Frakes

WORTHY ADVISORS

Miss Baldwin is a native of Nogales, Arizona. Her graded and secondary education were taken in Tucson Public Schools. Her major degree in Physical Education was earned at the University of Arizona. Some of her graduate studies have been done at Washington College in Washington State.

Miss Baldwin's first love is her present assignment as the advisor of the pep squad. If she could have any wish, she would like to give every interested girl a chance to be on the pep squad.

Miss Hilda Baldwin

Mr. Paul Grimes

Born in Buffalo, New York, Paul L. Grimes has been a Tucsonian for twenty-seven years. The last four of those years he has been one of our foremost Rincon Rangers.

Mr. Grimes holds a Master of Fine Arts Degree in Band from the University of Arizona.

Lucky for us, Mr. Grimes still finds it refreshing to compose music and lyrics. Our school song and pep songs are his creations. In addition, he composes music for the organ, voice and orchestra.

Mr. Grimes serves as the All-State Auditions Chairman. He is well known for his many years in the field of music throughout the state.

ANYTOWN

Every year in Prescott, delegates from Arizona high schools attend Anytown, a workshop in human relations. For one week, groups discuss different cultures and religions, and the problems they have in living and working t o g e t h e r harmoniously. Delegates have an opportunity to meet many people of varied backgrounds, and to learn the problems they face and their views on controversial subjects. After delegates return to their respective cities and towns, they speak to groups and individuals about the importance of a world united without prejudice and with due respect for every person's culture and background. Anytown is indeed important in promoting better human relations which are so greatly needed today.

TEEN CITIZEN REPORTERS

The job of each Teen Citizen reporter is to report the news and events at his school to the *Tucson Daily Citizen*, Tucson's evening newspaper. Many students do not realize the work that goes into producing this Wednesday evening edition of high school news. During the week, alert reporters must report and write up the news items both major and minor, and sometimes must take pictures to accompany the articles. On Saturday, editors and reporters meet at the *Tucson Daily Citizen* to arrange the pages allotted them, and to decide which articles are of greater interest and importance. Students should indeed be grateful to Rincon's Teen Citizen reporters for the fine job they have done this year.

In our second loss of the season, Pueblo held us to 4 first downs, winning 13-0. Rincon penetrated into the Pueblo territory 3 times only to be pushed back by the hard fighting Warriors.

Rangers and Bobcats both scramble for that pigskin.

The Rangers traveled to Phoenix to meet their next foes, the Central Bobcats. Since this was our out of town game, many loyal Rangers made the trip to support their team. The game was hard fought, and Rincon led in game statistics even though the final score showed a 26-0 Central victory.

The Ranger clutches that ball and weaves through the Bobcat's defensive net.

Tom Barringer dives for the Lancer quarterback.

In the sixth game of the season, Rincon fell to the spirited Salpointe Lancers. Hoping for an upset, the Rangers were again disappointed with a 14-6 loss. Rincon's only score came when Tom Maloney shot an 11-yard pass to end Jody Morris, waiting in the end zone.

Rincon's most exciting game of the season was a stunning 7-6 upset over Tucson High. Bill Spriggs, with the help of linebacker Noel Pyers, led the Rangers to victory. The winning touchdown came with one minute and two seconds gone in the fourth quarter, when Maloney threw a 20-yard scoring pass to end Joe Morris.

Spriggs is halted heading for the Badger goal.

Rincon's final game of the season was played on Thanksgiving day at Sunnyside. The Rangers sailed past the Sunnyside Devils with ease, and had some help from new members of the squad who had just been moved up from the Jayvee team. The final score read 40-0, to wind up the season with a Rincon victory.

The Rincon Junior Varsity squad didn't taste victory until their sixth game of the season when they beat Tucson High, 8-6. This gave the Rangers the desire for more victories, as they went on to win the rest of their games, defeating Mesa, Catalina, and Amphi, to end the season with a 4-5 record. The Jayvees' rapid and steady improvement will be put to good use on our next year's varsity.

BASKETBALL

The Ranger cagers opened the '60-'61 season with a victory over the Tucson Badgers. Rincon then defeated Sunnyside before falling to Salpointe, the first defeat of the season. The Rangers rebounded back to take Camelback, Amphi, and the first place trophy in the Christmas Tourney. The first game in the New Year took place on January 6th, when the hardwood hellians beat Pueblo. A second loss of the season came for Coach King and his boys when they were overcome by the Catalina Trojans. This blow boosted the Rangers to win their next two games over Amphi and Scottsdale. They suffered their 3rd and final loss of the season to T.H.S. in overtime. The undefeated Washington Vikings then fell to the Rincon "five," followed by Salpointe, Carl Hayden, Pueblo, Yuma, and Catalina to chalk up a Ranger 16-3 all over record.

The Rincon hard-wood cagers won their first big battle of the season as they toppled Tucson, 52-47, in overtime. Dick Koenig tied Ray Kosanke of Tucson High with 19 points for game scoring honors, pumping in eight points in the final quarter and four more in overtime.

CHRISTMAS TOURNAMENT

Dick Koenig blocks the Lancer's shot.

The Holiday Tournament opened with Rincon sliding past T.H.S. 53 to 49. This game opened up the way for Rincon to face Catalina in the second round of the tourney. The Trojans were also stomped by the Rangers 60-43, but Albright, our high scorer, sprained his ankle in the third quarter. The Rincon "five" had to face Salpointe with Albright benched. Their worry, however, proved to be needless, since Coach King's cagers had no difficulty in taking Salpointe, 42 to 31, and the first place tournament trophy.

On February 3rd in the Rincon gym the Ranger squad had an easy time in overpowering Salpointe 74 to 54. Dennis Albright took scoring honors pitching in 26 points, while Koenig scored 13, Duncan 12, Jackson 11, Fulkerson 6, and 2 apiece from Hartsfield, Watterworth, and Kellogg.

Dave Yoakum
Center

Dennis Albright kept up his fantastic scoring pace as the Rangers buried Carl Hayden 88-70. Albright broke his own single-game scoring record, set only the week before, pouring in 38 big points. But it wasn't just a one man show for the Rincon team. Center Bob Jackson pulled down 18 rebounds to break the school record, while Koenig added 21 points himself.

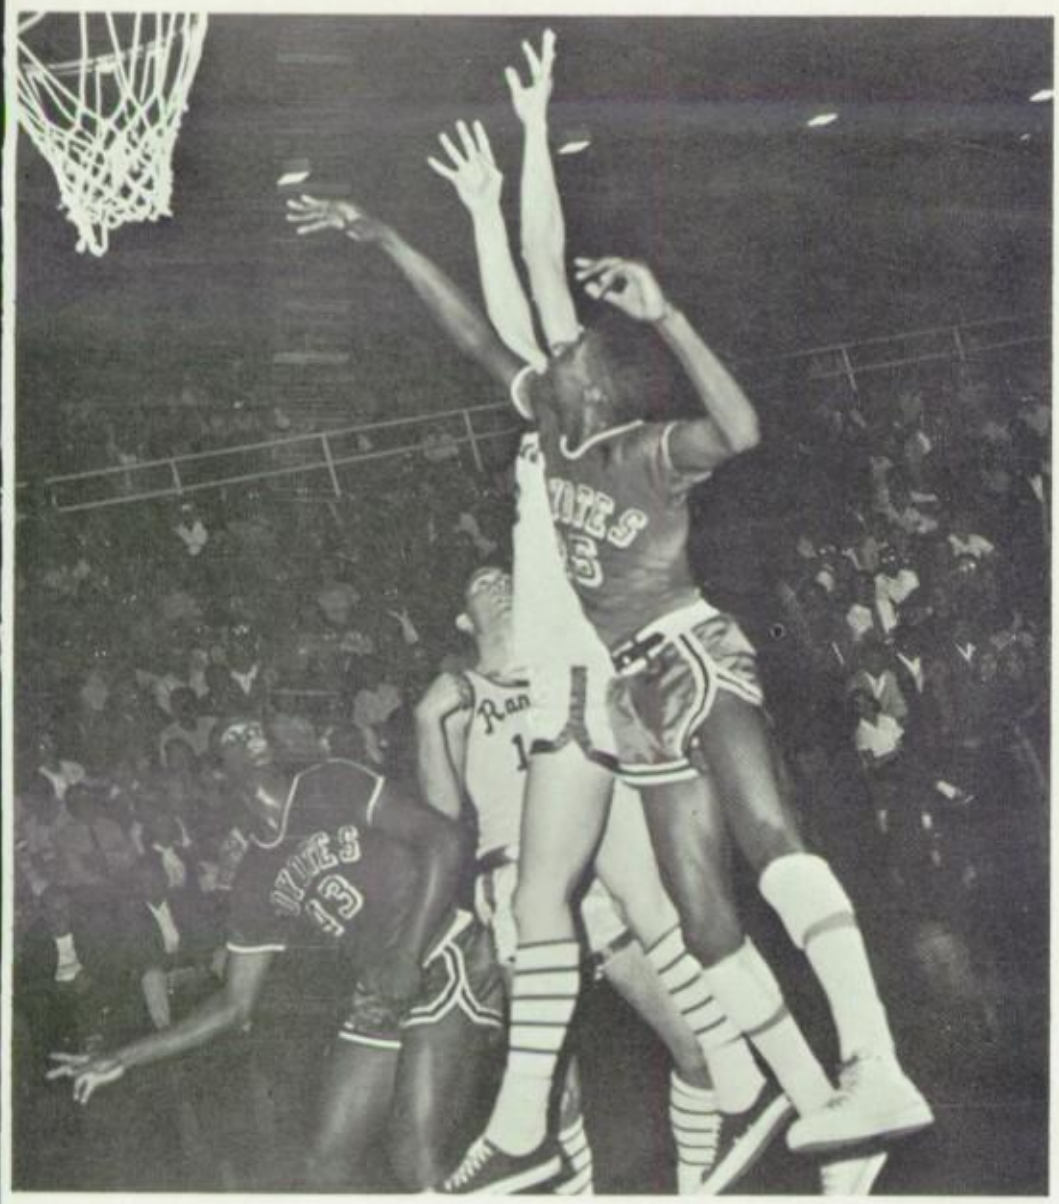
Manager Bob Maslow has been with the Ranger squad for three years, doing a fine job helping his team.

CATALINA
vs
RINCON

A second-half scoring spree led by sharp-shooting guard Bob Duncan and forward Dick Koenig paced the Rangers to a thrilling 75-66 victory over the Catalina Trojans. In this game, Rincon captured its ninth straight homecourt win of the season, as game scoring honors were given to Dennis Albright who pumped in 23 points before being taken out in the third quarter with a sprained ankle.

Clive Seal's tentative two points are halted by Center Bob Jackson.

STATE TOURNAMENT

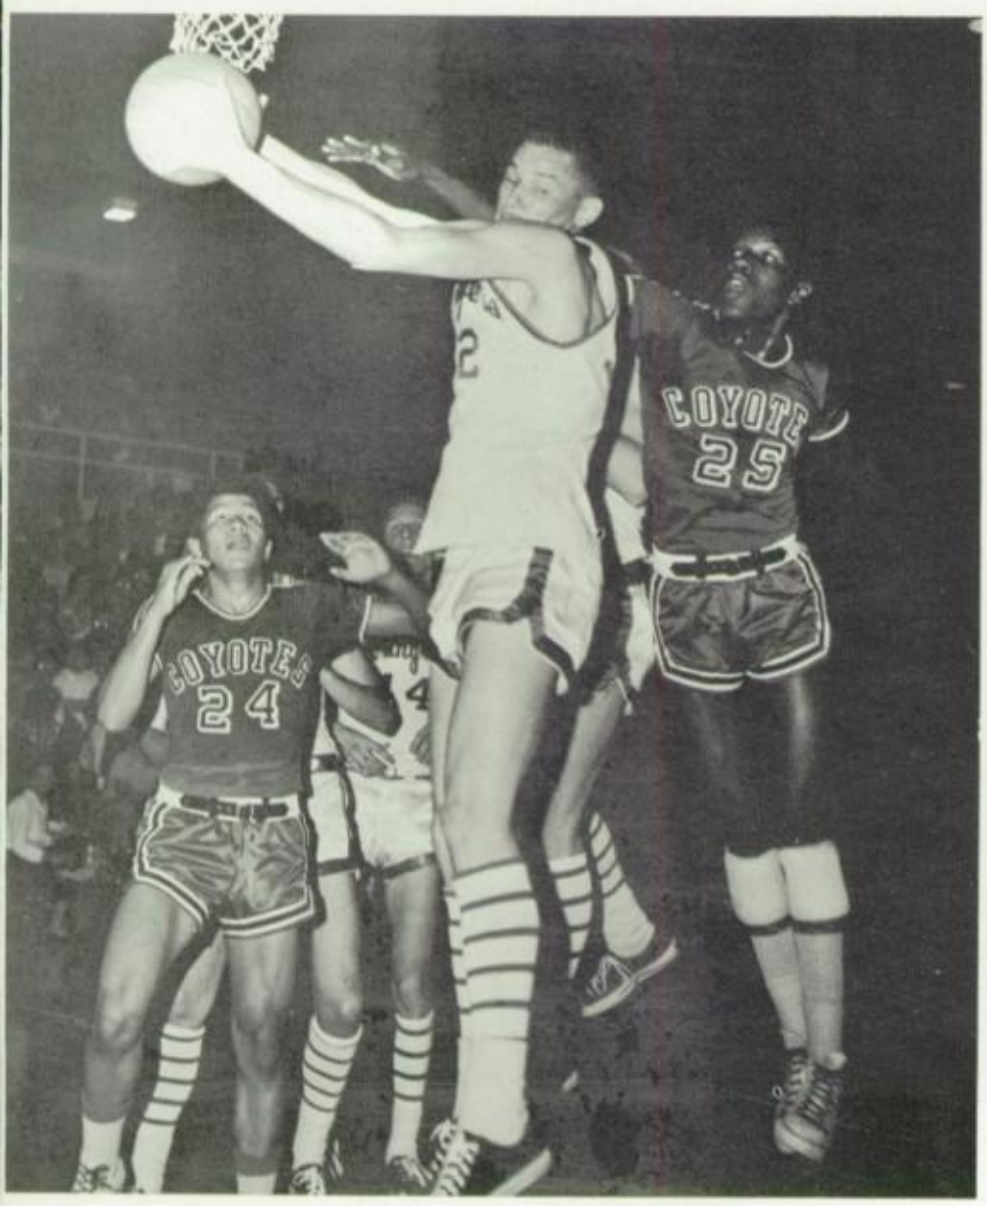


The "Coyote" from Phoenix Union battles against impossible odds to get a loose ball.

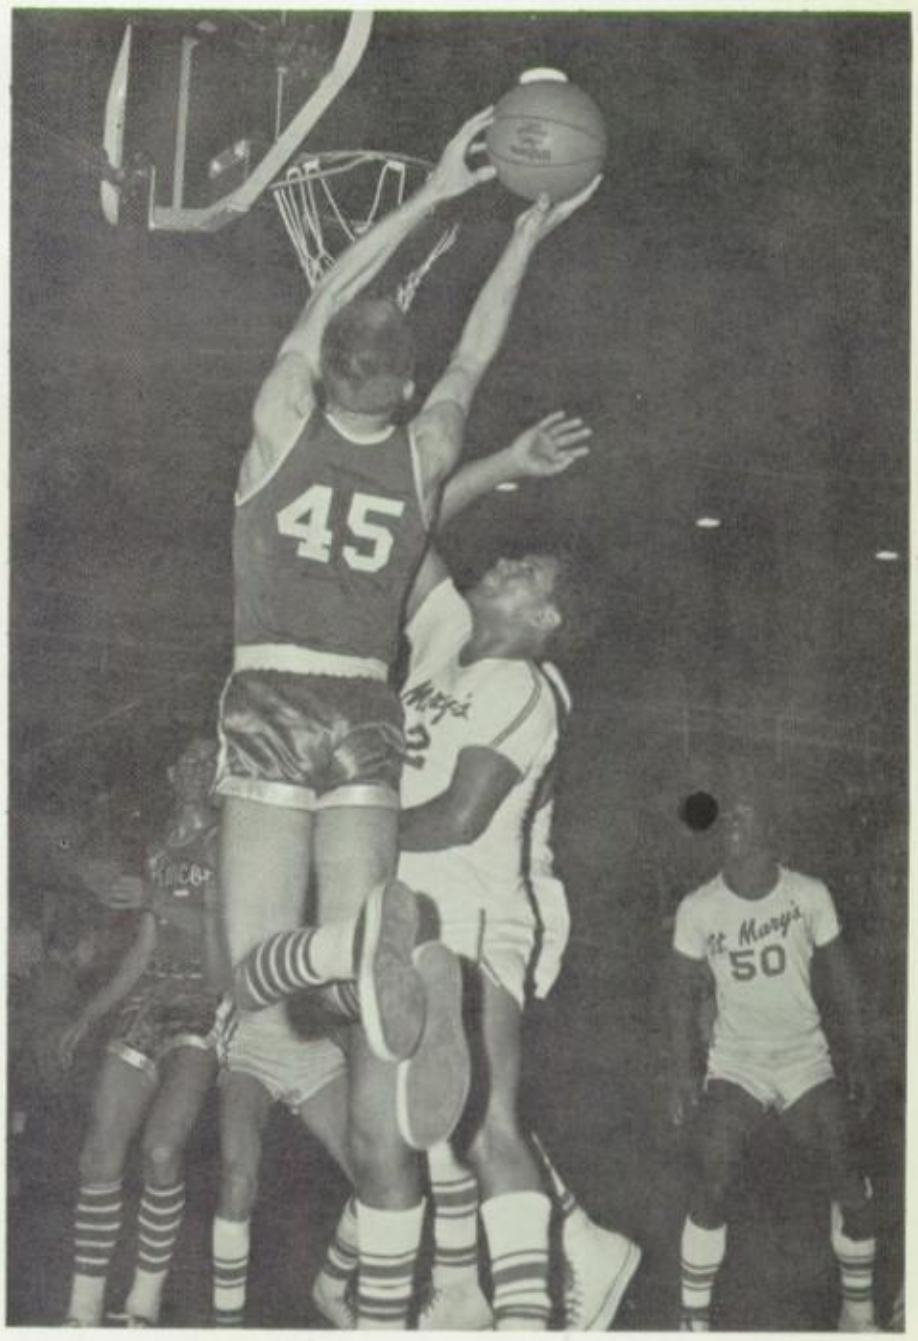
The Rincon Cagers tied for second place with C.H.S. in the Division 4-AA standings. A flip of a coin determined the berth in which each of the two teams would be placed in the State Tourney bracketing. Rincon won the first place position, putting Catalina into second.

The first team the Rangers were scheduled to meet in the Tourney was St. Mary's, followed by Phoenix Union if Rincon proved victorious over the St. Mary's team. This year the Tourney was held here in Tucson at the U. of A.'s Bear Down Gym.

The Rincon Student-body is proud to have had two of its basketball players, Dennis Albright and Dick Koenig, chosen for the All-City First Team. Congratulations also go to Bob Duncan who received honorable mention.



Jackson snags another rebound for the Rangers.

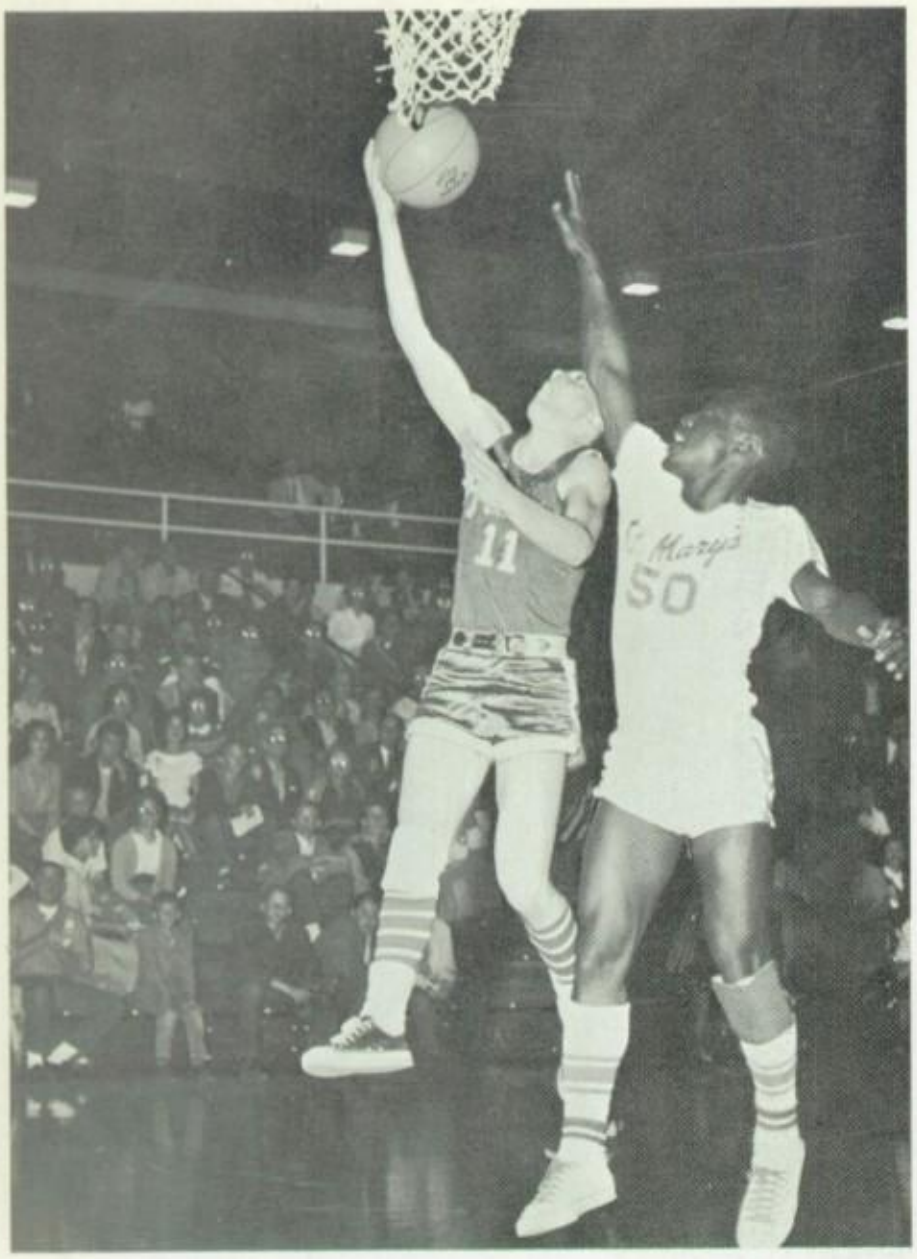


Albright loops in another one to set St. Mary's two more points behind.

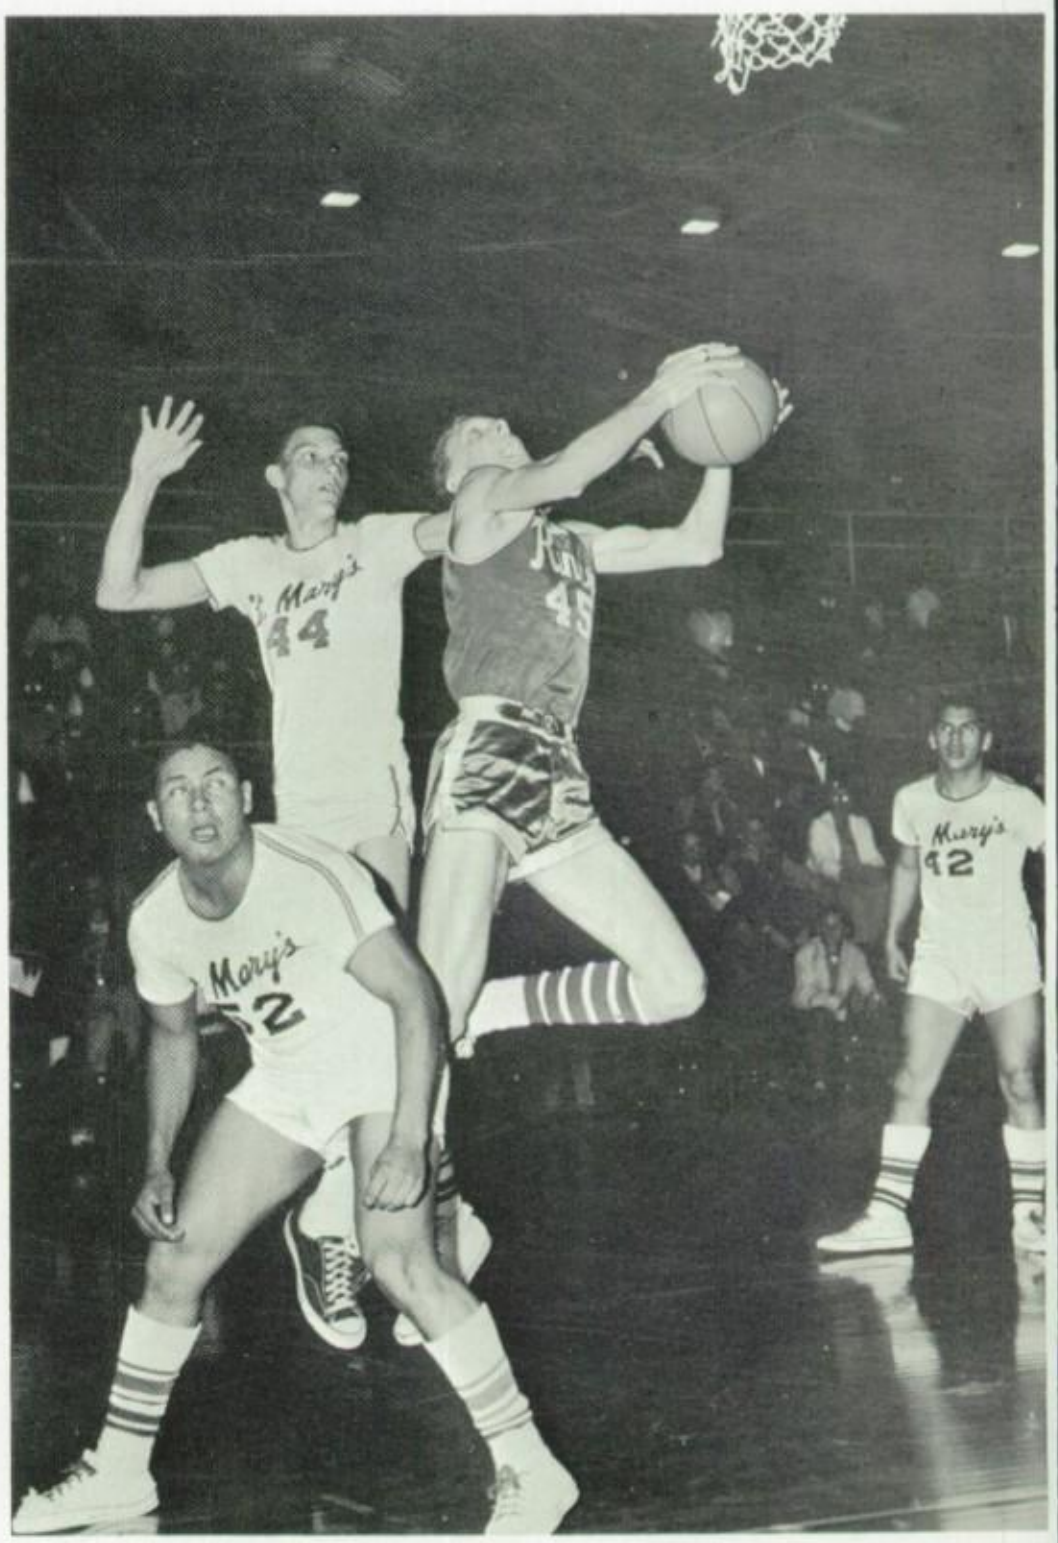
ST. MARY'S
vs
RINCON

Rincon's first Tourney game held a 78-55 victory over St. Mary's of Phoenix. During this game, Dennis Albright became the first class AA basketball player in city history to score 1,000 points in his high school career.

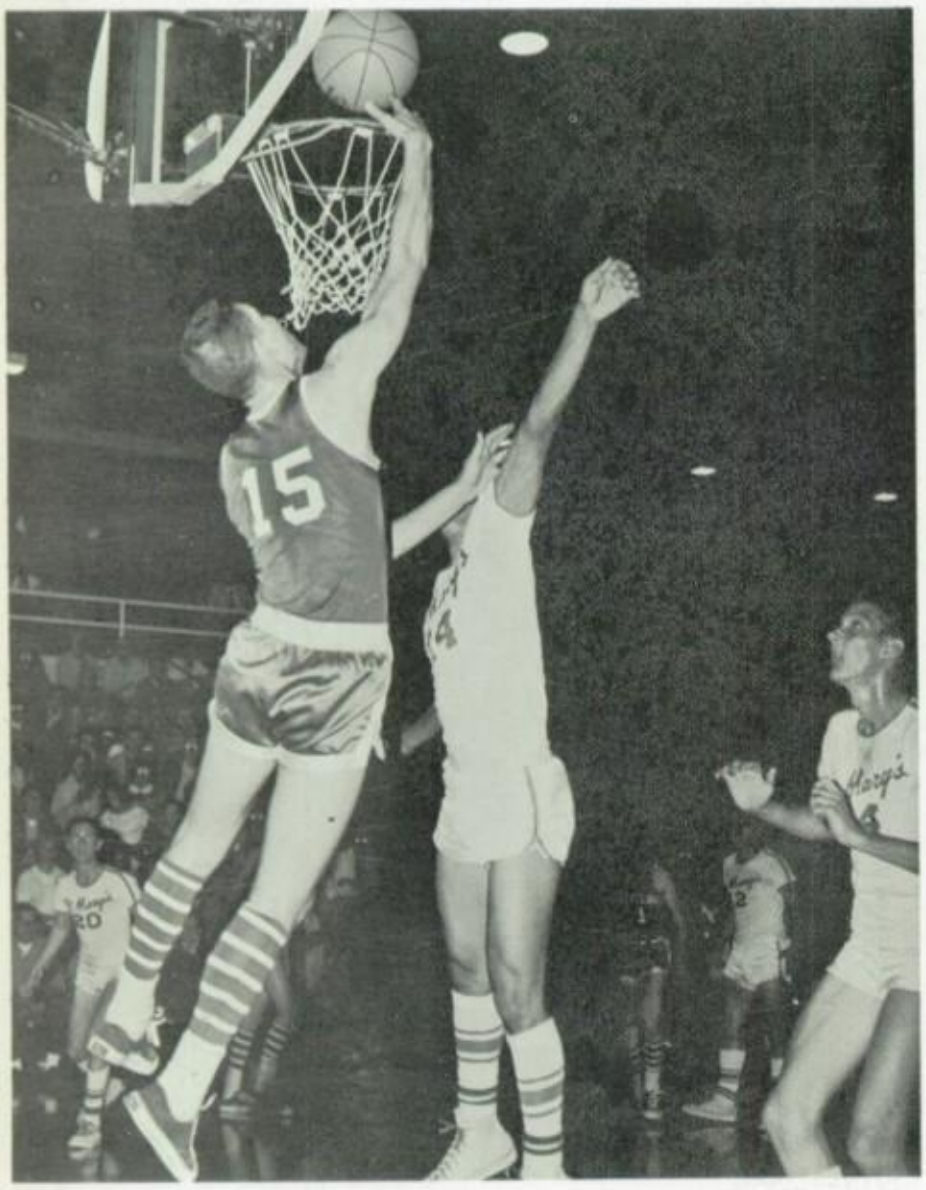
This 6-3 senior forward reached this milestone with one of his patented jump shots from the key. Coming with 6 minutes and 2 seconds left in the final quarter, the bucket was good for points No. 999 and 1,000 of his career and 20 and 21 of the game.



Guard Jim Hartsfield goes in to sink a lay-up.



Albright sails upward for the shot, while these St. Mary's cagers look on hopelessly.

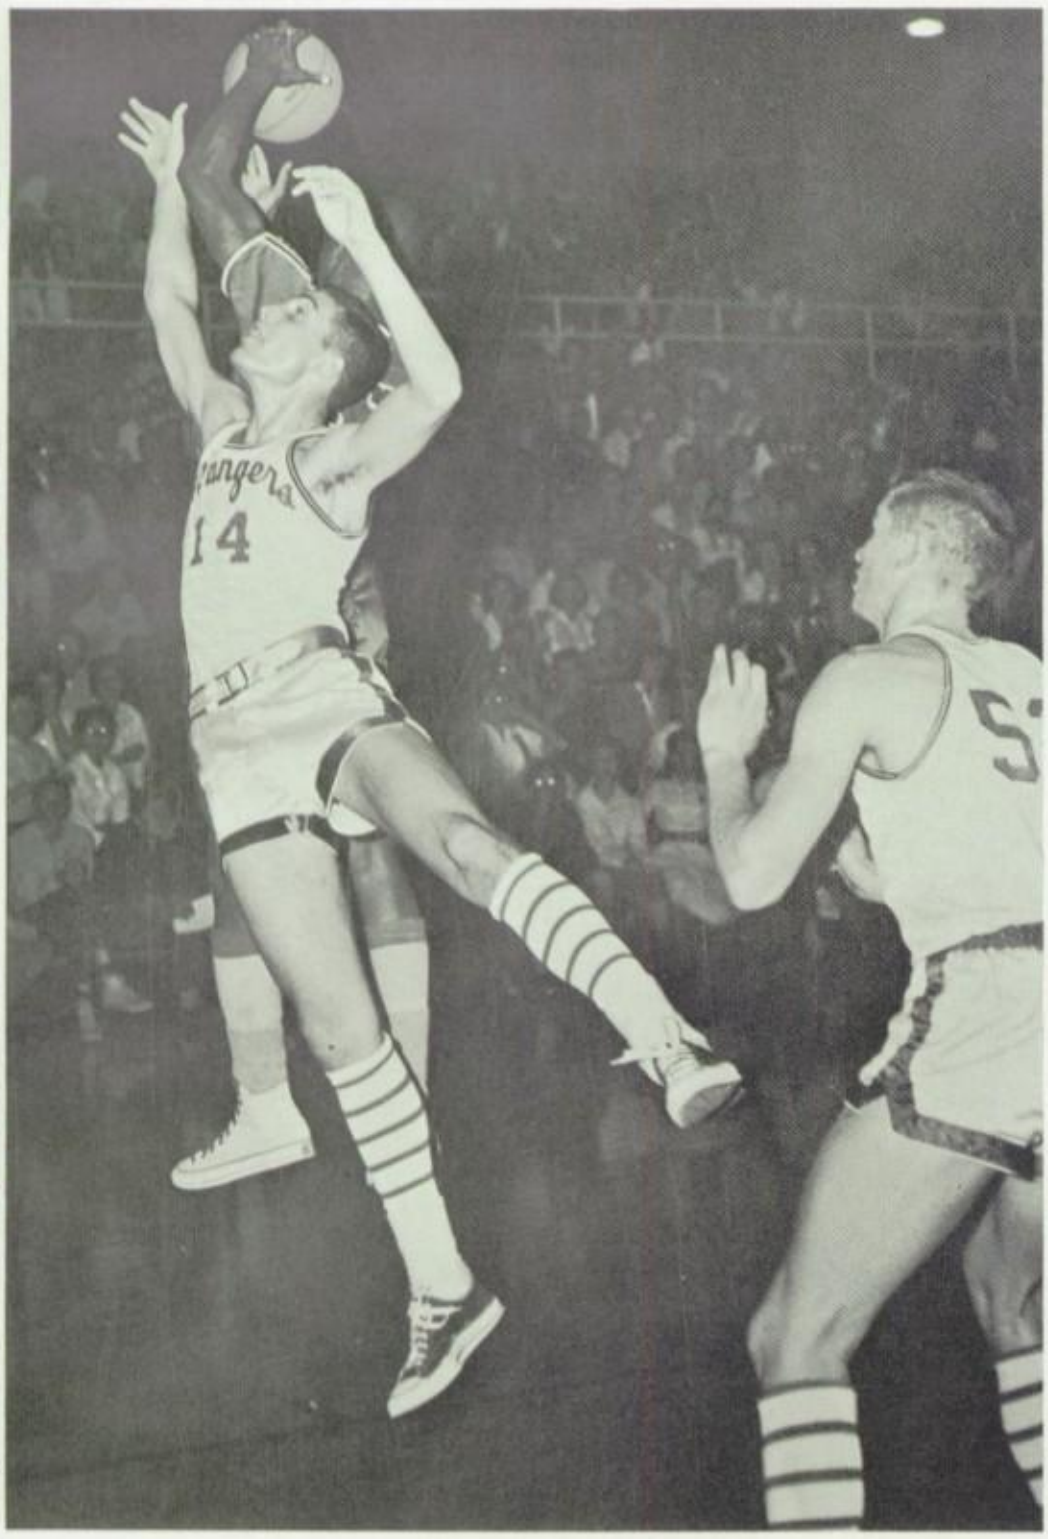


Koenig hooks one in for two points.

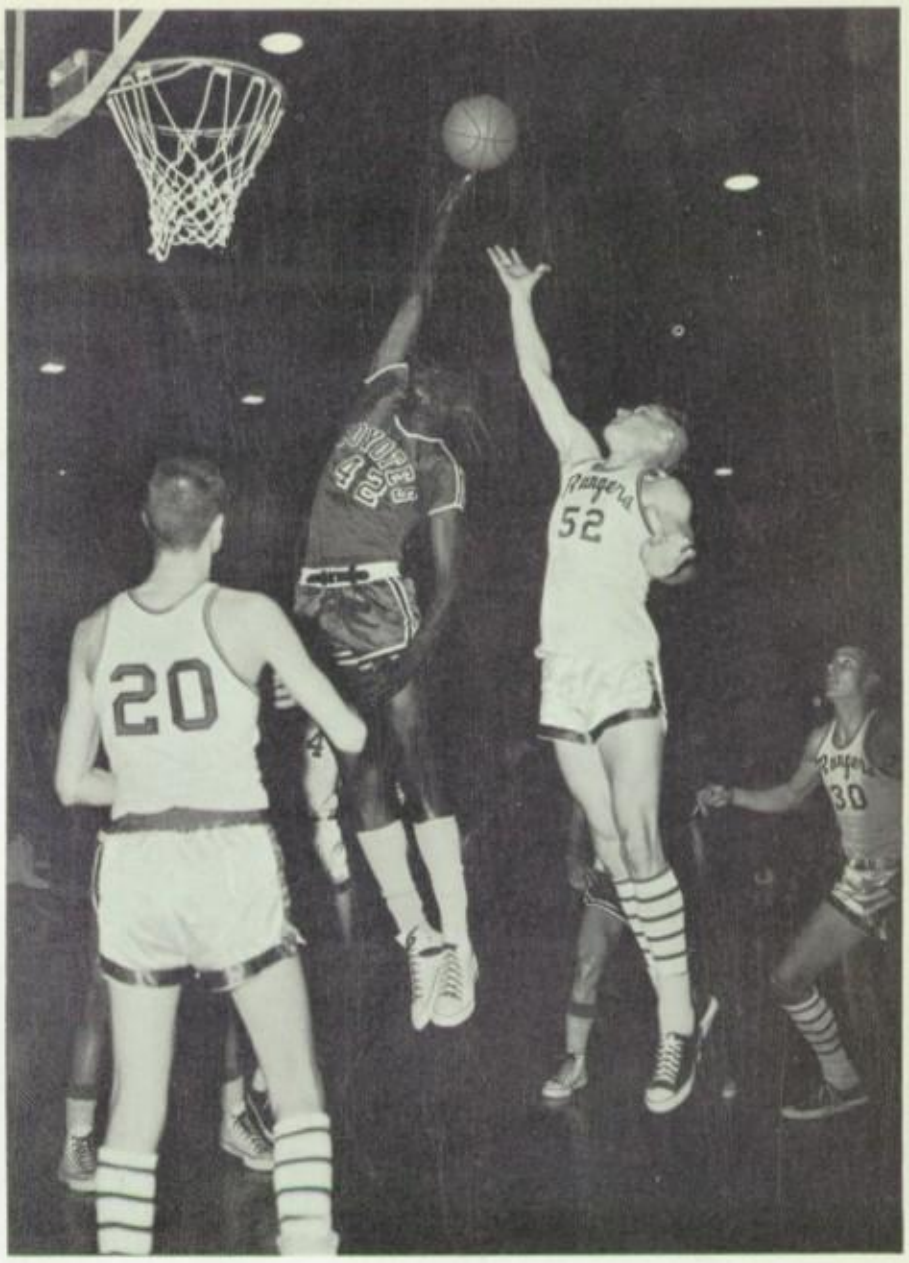
PHOENIX UNION
vs
RINCON

Rincon faced the unconquerable "Coyotes" from Phoenix Union in the second round of the State Tourney without success. Led by the potent Luthor Harper, the Coyotes, who have won "State" 6 times in the past 7 years, downed the Rangers 66 to 41.

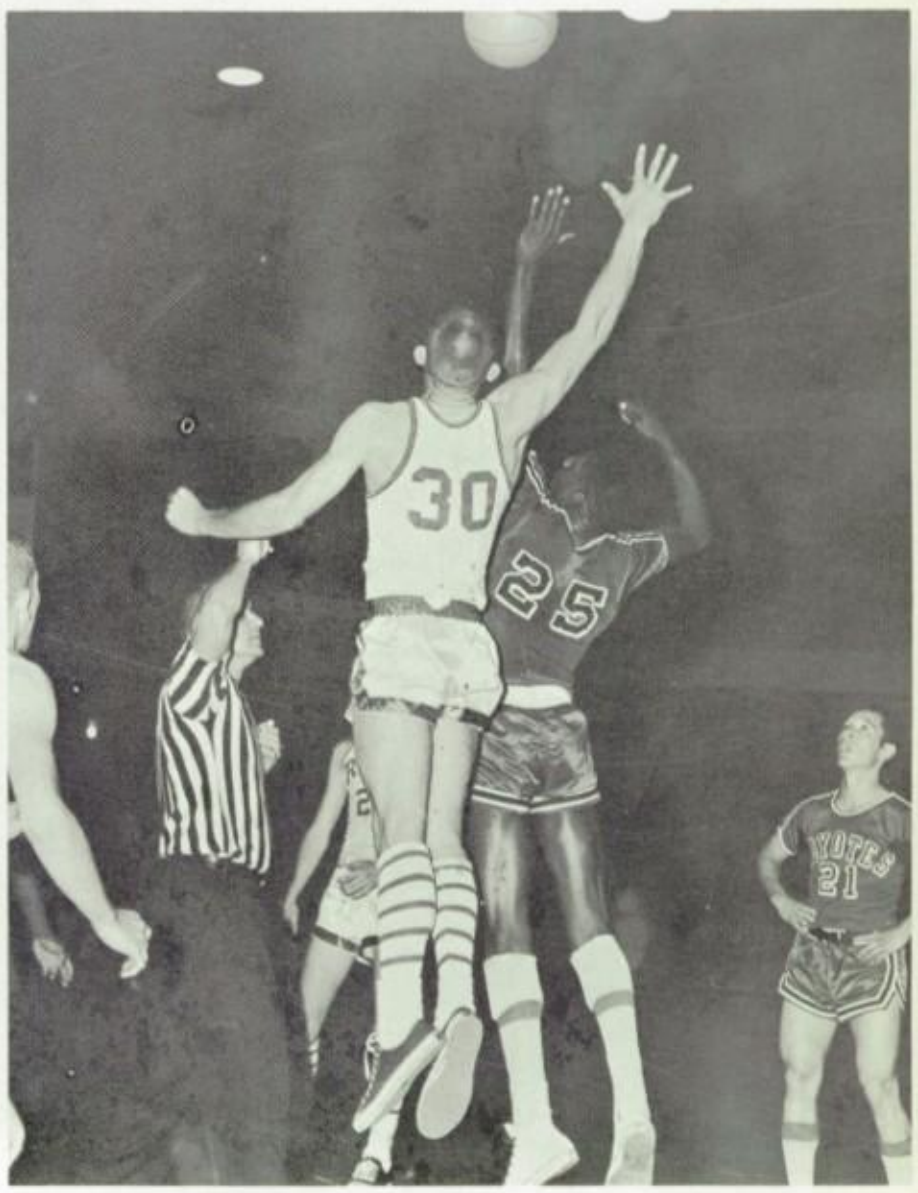
This defeat knocked Rincon out of the Finals of the State Tournament, which was again won by Phoenix Union, with Catalina placing second, Washington third, and Camelback fourth.



Dick Koenig reaches for the ball, while Bob Jackson shouts words of encouragement.



Bob Duncan awaits anxiously as Jackson goes after the Coyote with the ball.



Ronnie Watterworth jumps a little higher than the P.U. Coyote in an attempt to snag the ball.

The "age-old art of judo" is being taught at Rincon for the first time this year. Judo is similar to wrestling as it is a method of self-defense, but it depends more on skill and knowledge of the body's weak spots, then on w e i g h t and muscular strength as in wrestling. Mr. Smith, the coach and sponsor, has made great progress in the teaching of judo, and one of his boys, Nelson Greene, has taken the school judo championship.

A flip by one of the members of the Judo team shows one of the many ways in which Judo can be used for protection.

AFS

Kristin Sannerud was our exchange student from Drammen, Norway this past year.

This charming girl adapted easily to our activities and became a busy member of the student body.

We hope Kristin will always remember the experiences she had and the many friends she made here. We will never forget the Norwegian smile that brightened the halls of Rincon.

Mr. and Mrs. Hilton McKee, Mary Selden and Kristin enjoy a free moment in their patio.

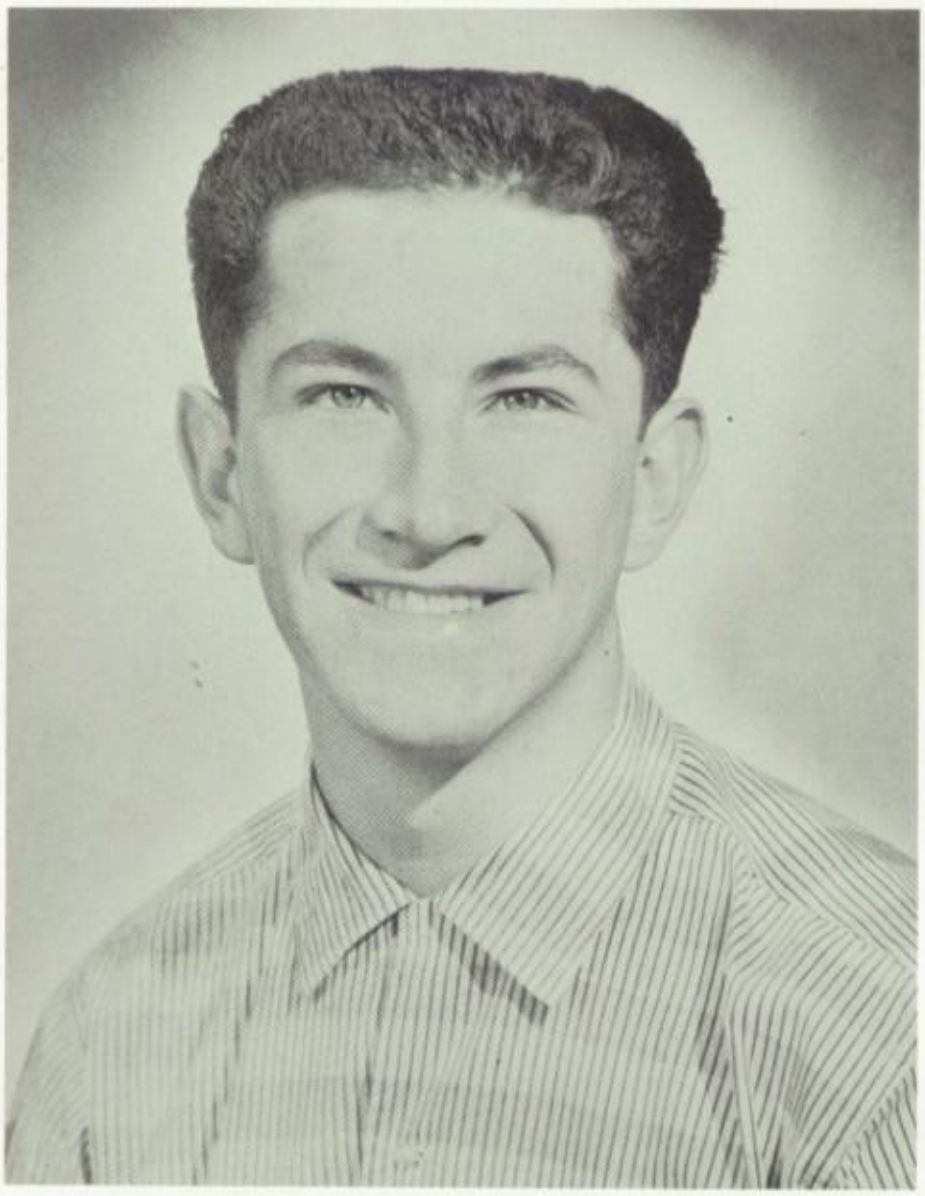
Kristin chats with friends during lunch.

AFS

Participating in the American Field Service program this past year was Enrique Huerta.

From Cochabamba, Bolivia, this South American charmer captivated all. His friends were many as were his activities.

Although we may never see Enrique again, we will always hold many fond memories of him. We hope he will remember us, too.



"Tell us about Boliva, Enrique!"

The Bates Butler family learns more of Bolivia from their second 'son' Enrique.

Acknowledgements

We hope, in years to come, as you look back on your memorable years at Rincon, your 1961 "RAWHIDE" will serve as a movie screen portraying all the exciting events in which you participated as a student body.

Producing a yearbook is a big challenge. Our first frustration came when we were looking over 3,000 unnamed class pictures. Soon, we discovered that the publication of a yearbook was not only challenging and full of hard work, but fun-filled and exciting.

There were many times when our efforts seemed fruitless. But, as time passed, things somehow got settled, and our work seemed worthwhile.

We appreciate the leadership and assistance of our advisor, Mr. Neil Meyer, who gave time and earnest support to the success of the "RAWHIDE." Mr. Northam and his photography staff have been a tremendous asset to us. We could not have continued without them. Special thanks go to Mr. Robert Gaines of Gaines Studios.

To many other people we offer our sincere thanks:

Mr. Slagle, the administration, and the bookstore for their ardent encouragement and never ending service.

Mr. Tassi and his printing department.

Newsfoto Publishing Company and their Tucson representative, Mel Wakefield, for their cooperation.

Tucson Typographers for help in setting the format of the book.

Mr. Walt Hall of Marvel's Photography for his cheerful service.

For supplying material for senior class picture drapes, we extend appreciation to Lil's Fabric Shop and Jacomes' Department Store.

For their cooperation on the annual Christmas Dance, we would like to thank Sears, Roebuck and Co., J. C. Penney display department, Hacker Furniture Company, Westerners Florist and Hal Burns Flowers.

For background used in the rodeo pictures, our thanks to Zary South.

And to our many patrons we extend our gratitude.

Most of all, we thank you, our student friends, who helped us to plot this trail of cherished memories of our high school years.

Sincerely,

The "RAWHIDE '61" Staff
